

## About Us

Pooch Palace is a place for dogs to have fun in a safe and caring environment.

Your dog will have the opportunity to play and socialize with other dogs. They can play outside in a fenced area or relax inside on comfortable chairs, sofas or beds. At Pooch Palace, they'll feel like they're right at home!

Big or small, we love them all!

All Paws Lead to the Palace,  
where Spoiled Rotten  
Pooches Rule!

We will care for your pet  
as if it were our own and  
spoil them rotten all day long.

You can see our outdoor play yards from the lobby windows, as well as the inside play areas. We have dogs moving through the building all the time, to and from play groups, inside, outside, etc. To keep all our dogs feeling secure, we do not offer tours of our facility without a prior appointment.

We Accommodate!

The Pooch Palace is the solution for a dog with separation anxiety, a puppy with tons of energy, or the older dog who needs special attention. We will make sure to accommodate your pet for any special needs they may have.
